The **Spring Career Fair** is next week!

The event will take place at the Moore Fieldhouse from **1:00 pm to 4:30 pm** on **Wednesday, April 6, 2005**. More than **115 local, regional and national employers have** registered. As always, you are cordially invited to attend.

The Career Fair provides a range of opportunities for students, all under one roof. Students are encouraged to bring copies of their resume to be considered for full-time, part-time, seasonal, or co-op positions. The Career Fair allows students to network with professionals in various fields, and learn more about prospective careers. This can be a great experience for all students, not just graduating seniors! Please encourage all students to **dress professionally** and attend.

The Center for Career Services will sponsor a workshop on How **to Get Most of a Career Fair**, on Wednesday March 30th - 1:00 pm, @ the Career Center Schwartz Hall Rm. 102. We appreciate your support in encouraging students to attend.
